2 additional pages if needed.

3 Police officers Ron Komarovsky and Brynn Cellan arrested David Henry for driving
4 under the influence and suggested plaintiff perform roadside tests to ensure he was ok to
5 drive again. The plaintiff's vehicle had just been in a collision and was inoperable. The
6 plaintiff may have been suffering from a concussion and cooperated with both the
7 officer's requests with full trust of the officer's duties. Officer Komarovsky began to
8 question the plaintiff as a suspect in a crime. Officer Cellan supported Komarovsky and
9 racially profiled the plaintiff as being guilty of a crime. The two officers arrested the
10 plaintiff while under the employment of Tacoma police department and acting within their
11 scope of employment with the city of Tacoma and under the color of state law.

12 **IV. STATEMENT OF CLAIM**

13 *State as briefly as possible the facts of your case. Describe how each defendant was personally*
14 *involved in the alleged wrongful action, along with the dates and locations of all relevant events.*
15 *You may wish to include further details such as the names of other persons involved in the events*
16 *giving rise to your claims. Do not cite any cases or statutes. If more than one claim is asserted,*
17 *number each claim and write a short and plain statement of each claim in a separate paragraph.*
18 *Attach additional pages if needed.*

19 Officer Ron Komarovsky began to question me after I had just been involved in a motor
20 vehicle accident. Ron Komarovsky suspected me of a crime due to racial profiling. He
21 asked if I had consumed alcohol or smoked marijuana before the incident, I told the
22 officer that I had not. He continued to question when the last time I had smoked
23 marijuana was and how much I had smoked, despite that I had not consumed any
24 marijuana within the last 24 hours. He omitted this information with a reckless disregard
for the truth to obtain a warrant for the withdrawal of my blood. He then had me perform
multiple roadside field sobriety tests without credence to the fact I had just been involved

Pro Se 15 2016

1 in a collision. I blew a .000 on the PBT to which Komarovsky promptly placed me under
2 arrest, forcibly withdrew my blood at the hospital without my consent, who then charged
3 me upwards of \$5,000, and put me in jail for over 32 hours. Officer Komarovsky began to
 shake the plaintiff by the wrists with excessive force when they arrived at the jail.

4 Officer Brynn Cellan, when arriving at the scene immediately found me suspect of a crime
5 and can be heard saying:

6 “Look at his face, He’s high” on body cam footage provided by the police department.

7 Officer Brynn Cellan racially profiled me and assumed I was guilty of a crime and
8 assisted officer Komarovsky in placing me under arrest and forcibly withdrawing my
 blood at the hospital. Despite the wrongful conduct of the Officers, Tacoma has effectively
 defended and ratified their actions. Officers of Tacoma feel as if they will not be disciplined
 for any wrongdoing and Tacoma has given this allowance time and time again. City of
 Tacoma should be held liable for the continued employment of Officer Ron Komarovsky
 even after his involvement in the murder of Manuel Ellis in 2020 case no: 3:21-cv-05692-
 LK and other incidents of Komarovsky’s behavior. The plaintiff was victim to Ron
 Komarovsky’s racist motives and Komarovsky is still acting under the color of law today.
 Therefore, the city of Tacoma is liable for the violation of the plaintiff’s civil rights and
 excessive force of Ron Komarovsky and Brynn Cellan.

12 Tacoma, Washington at the intersection of 56th st and Oakes St.

14 B. What date and approximate time did the events giving rise to your claim(s) occur?

15 1/6/2021 at around 2:00 pm

16 C. What are the facts underlying your claim(s)? (For example: *What happened to you?*

17 *Who did what? Was anyone else involved? Who else saw what happened?*)

18 I was in a car accident on 1/6/2021 when I was stopped at a red light at the intersection of
19 56th st. and Oakes st. I mistook the light turning green and crossed into traffic striking

20 *Pro Se 15 2016*

21 another vehicle. Tina L. Blanks and Brian E. Woodard were in the other vehicle. No
22 injuries were apparent at the scene. A witness, Shane B. Woods, gave a false statement to
23 officer Ron Komarovsky. I have video evidence of the collision and all statements given
24 to and by the police. Shortly after the crash, Tacoma fire department arrived on the scene
 shortly followed by Tacoma police department. Officer Ron Komarovsky was the first

Pro Se 15 2016

1 officer to talk to me after speaking with Tacoma fire. Ron Komarovsky proceeded to ask
2 for my driver's license and proof of insurance to which I complied. Komarovsky said that
3 after checking my ID that we were done and that I would be on my way home and asked
4 if anyone was able to pick me up. I said yes and he returned to his vehicle. When he
5 returned from his vehicle to give me my ID and insurance back, he began to question me
6 as if I was a suspect to a crime. I was cooperative and friendly and answered all questions
7 truthfully. He asked if I had been drinking to which I said no. He asked if I had been
8 smoking to which I said no. I told him I had purchased some marijuana legally at the
9 store and I had not smoked for a few days. In the police report, officer Komarovsky
10 stated that I "admitted" to going to the marijuana store. Going to the store to purchase a
11 legal product is not an admittance of a crime. It is not illegal to buy marijuana in
12 Washington and drive home with it, just as it is perfectly legal to buy alcohol at the store
13 and drive home with it. The package was unopened. He kept asking me when I last
14 smoked and how much? It is obvious that officer Ron Komarovsky did not care if I was
15 actually sober or not, but whether my blood would have enough THC to give a positive
16 result. He then requested I perform sobriety tests to ensure I was able to drive home. The
17 car was totalled, but it had not occurred to me that this was an odd request as I was still in
18 shock from the car accident. No signs of intoxication were seen on the HGN but officer
19 Komarovsky saw it fit to determine my balance was indicative of intoxication after I had
20 just been involved in a vehicular collision. Which is not a symptom of marijuana
21 intoxication but for alcohol and the PBT gave a reading of .000 after my consent. Officer
22 Brynn Cellan arrived shortly after and did not ask for any information regarding the
23 incident from any of the people involved. Brynn Cellan then assisted Ron Komarovsky in
24 my arrest and held me against the police car and continued in assisting when Ron

Pro Se 15 2016

Komarovsky took me to the hospital to withdraw my blood for evidence. The blood came back clean as I had no active THC or any drugs in my system and a carboxy level far below any significant measure. Officer Brynn Cellan parted ways with Ron Komarovsky after the hospital and Komarovsky then took me to jail where I was held against my will for over 32 hours. The case was dismissed with prejudice on December 17th, 2021, after numerous court proceedings. All of which I had to pay an attorney for and take time out of my schedule to appear for. Tina L. Blanks and Brian E. Woodard, also, attempted to sue me for a total of \$134,000.00 on the basis that I was under the influence due to officer Komarovsky's and officer Cellan's actions. The hospital then sent me to collections for not paying the bill I was wrongly charged for, and my credit score has since been significantly impacted. All of this happened because officer Komarovsky and Cellan racially profiled me and charged me with a crime with no evidence and no probable cause.

V. INJURIES

If you sustained injuries related to the events alleged above, describe your injuries and state what medical treatment, if any, you required and did or did not receive.

I have suffered significant stress and trauma from all of this which I did not receive any treatment for. I have a fear of the police now and am unable to function in their presence.
I may have been suffering from a concussion after the accident which was never addressed because I was thrown in jail.

VI. RELIEF

State briefly what you want the court to do for you. Make no legal arguments. Do not cite any cases or statutes. If requesting money damages, include the amounts of any actual damages and/or punitive damages claimed for the acts alleged. Explain the basis for these claims.

I want the court to demand that the Tacoma Police Department and it's employees, Ron Komarovsky and Brynn Cellan, pay damages to the cost of \$600,000.00. This includes the amount of time that I was held in jail and the mandatory court dates which I value at a \$2,000.00 per hour minimum. The cost of an attorney which was \$2,500.00. The amounts that Tina L. Blanks and Brian E. Woodard sued me for of \$134,000.00. The hospital bills which total \$5,392.00. The negative impact on my credit score due to these circumstances, the loss of wages, and all other possible medical damages for my physical and mental health that I have suffered since the incident.

VII. CERTIFICATION AND CLOSING

Under Federal Rule of Civil Procedure 11, by signing below, I certify to the best of my knowledge, information, and belief that this complaint: (1) is not being presented for an improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation; (2) is supported by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law; (3) the factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and (4) the complaint otherwise complies with the requirements of Rule 11.
